Re: Proposed Extension to reply and file objections to claims

To the Honorable Judge Glenn,

Pursuant to the notice sent by Residential Capital, a deadline to file a reply or response to Residential Capital's opposition to Kenneth Taggart's claims is January 8, 2015 at 4:00 P.M.

I am requesting that the honorable court grant a 30 day extension to file an answer to Residential Capital's objections as I will be celebrating religious holiday's from December 24th -- December 31, 2014. I need time to review the extensive pleadings and need time to seek counsel to file a reply. Additionally, I am requesting that the hearing be scheduled for March 2015 as well.

Thank you for your patience and understanding. If there is anything that needs to be conveyed to me regarding this matter or any other, please do not hesitate to contact me.

Yours Truly,

Kenneth Taggart
